FAKE B. STUDENT

Bachelor's Programme in Information and Communication Technology

Date: January 22, 2024

Supervisors: A. Busy Supervisor, Another Busy Supervisor, Third Busy Supervisor

Examiner: Gerald Q. Maguire Jr.

School of Electrical Engineering and Computer Science

Host company: Företaget AB

Swedish title: Detta är den svenska översättningen av titeln

Swedish subtitle: Detta är den svenska översättningen av undertiteln

0.1 Inference Rules

$$\begin{array}{c}
\text{T-TASK} \frac{x : C; ocap \vdash t : \tau \quad \Gamma; a \vdash b : Q \triangleright \text{Box}[C]}{\Gamma; a \vdash \text{task}(b)\{x \Rightarrow t\} : Q \triangleright \text{Task}[C]} \\
